Examiner's Statement of Reasons for Allowance

Claims 1-8 are allowed because the prior art does not disclose or suggest a method or computer program product for resolving meeting conflicts for an electronic calendar application wherein a request from a first meeting scheduler sets a first meeting schedule, a request from a second meeting scheduler sets a second meeting schedule which conflicts with the first meeting schedule, overriding the first meeting schedule with the second meeting schedule upon determining that the second meeting has a higher priority than the first meeting, and informing the first meeting scheduler that the first meeting has been overridden.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
